PROGRAM OVERVIEW: STUDENT RESEARCH AWARD

The ASHP Foundation Literature Awards Program: Student Research Award is awarded to a pharmacy student for a published paper that describes a completed research project related to medication use completed during the student’s first through fourth professional years in a college/school of pharmacy.

The recipient of this award receives:

- $1,500 honorarium;
- Public announcement via press release and other Foundation communication channels;
- $1,000 expense allowance to attend the ASHP Midyear Clinical Meeting;
- Award ceremony during the Literature Awards Breakfast at the ASHP Midyear Clinical Meeting;
- Public recognition at the Student Society Showcase and Spotlight on Science plenary session at the ASHP Midyear Clinical Meeting; and
- A plaque commemorating their work

Recent Winners:

2016: “Comparison of the Effectiveness and Safety of Linezolid and Daptomycin in Vancomycin-Resistant Enterococcal Bloodstream Infection: A National Cohort Study of Veterans Affairs Patients”; Nicholas S. Britt, Pharm.D., M.S.

2015: “Implementation of an Accelerated Physical Examination Course in a Doctor of Pharmacy Program”; Jackie Ho, Pharm.D., M.P.H.

ASHP Foundation

Vision
As the philanthropic arm of ASHP, our vision is that: Patient outcomes improve because of the leadership and clinical skills of pharmacists, as vital members of the health care team, accountable for safe and effective medication use.

Our Mission
The mission of the ASHP Foundation is to improve the health and well-being of patients in health systems through appropriate, safe and effective medication use.

The priorities of the ASHP Foundation are closely aligned with ASHP, the organization that represents pharmacists who serve as patient care providers in acute and ambulatory settings. The organization’s more than 40,000 members include pharmacists, student pharmacists and pharmacy technicians. For over 70 years, ASHP has been on the forefront of efforts to improve medication use and enhance patient safety.

The ASHP Foundation pursues its mission and key priorities through provision of awards, research grants, educational programs, and practice tools. The ASHP Foundation has a long track record of
administering research grants, education and practitioner recognition programs that use stringent external review processes to select program recipients and participants. Visit our website to learn more about the ASHP Foundation.

**ELIGIBILITY REQUIREMENTS**

**Author**
- The author shall have been a full-time student enrolled in a Doctor of Pharmacy program at an ACPE-accredited school/college of pharmacy at the time of preparation of the paper;
- The applicant must be either the first or second author listed on the nominated article;
- The applicant must have participated in each of the following:
  1. Substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data;
  2. Drafting the article or revising it critically for important intellectual content; and
  3. Final approval of the version to be submitted.

*To be eligible for this award, conditions 1, 2, and 3 must all be met.*

**Articles**
- The article submitted for the Student Research Award must have been published between January 1, 2017 and May 31, 2018. Print or electronic articles that were published in 2017 are eligible for consideration.
- Articles that were published electronically in 2016 and in print in 2017 are not eligible for consideration if the electronic version was submitted for consideration in the 2017 Literature Awards Program cycle.

**Not Eligible:**
- Past recipients of this award are not eligible; and
- Selection panel members, ASHP staff members, ASHP Foundation staff members, members of the ASHP Research and Education Foundation Board of Directors, and members of the ASHP Board of Directors are not eligible to apply for this award.

**NOMINATION AND SUBMISSION PROCESS**

The ASHP Foundation promotes this program and solicits nominations and self-nominations through our communication channels and specifically from ASHP component groups (e.g., sections, advisory groups), the editors of *AJHP*, and deans of schools/colleges of pharmacy. In addition, ASHP members and affiliated state societies may nominate candidates for this award. Authors may nominate themselves as well.

Submission for this program is initiated by either:
1. Nomination, a recommendation from your peers through the survey available on the Foundation website and via this link: [ONLINE NOMINATION SURVEY](#) or,
2. Self-nomination with submission through the online application system available via this [ONLINE APPLICATION](#)

An application must be submitted in order for the panel to consider an individual for the award,
irrespective of the initial nomination.

AWARD CRITERIA

<table>
<thead>
<tr>
<th>Category</th>
<th>Maximum Points</th>
<th>Criteria Descriptions</th>
</tr>
</thead>
</table>
| **Significance**  | 5              | • Addresses an important approach, topic, question, or issue/problem that has not previously been well documented or studied in depth;  
                     |                | • If previously documented or studied, the extent to which the article is necessary to move the field forward (e.g., addresses an important gap in knowledge). |
| **Impact**        | 5              | • Contributes in a meaningful way to the evidence base of medication use and/or pharmacy practice;  
                     |                | • Describes how evidence generated could be adopted into pharmacy practice the medication use process by others.  
                     |                | • Has been cited in other peer-reviewed articles in biomedical journals. |
| **Innovation**    | 5              | • Potential to challenge and shift current medication use and/or pharmacy practice paradigms by:  
                     |                |   Utilizing novel theoretical concepts, approaches or methodologies, instrumentation, or interventions.  
                     |                |   • Novel to medication use, pharmacy practice or the broader health-system;  
                     |                |   • Refinement, improvement, or new application to medication use or pharmacy practice. |
| **Quality**       | 5              | • Research methods demonstrate substantive rigor appropriate to answer the research question(s).  
                     |                | • Published in a well-respected peer-reviewed biomedical journal. |
| **Total**         | 20             |                                                                                       |

KEY POINTS FOR YOUR SUBMISSION

You will submit for this award through the Foundation’s online application system ([ONLINE APPLICATION](#)). Below are some key points to keep in mind.

- Please provide a valid, frequently used email address that is readily accessible. The ASHP Foundation will conduct several communications via email and these items can be time-sensitive. Failure to reply in the requested time frame can result in disqualification.
- Include information for all co-authors cited in the article. All co-authors must be notified that the article is being submitted for consideration for this award.
- Citation information must be provided in AJHP reference format, and PMID numbers should be
provided for the article. A copy of the article must be included when submitted with the completed application.

- Current CV or biographical sketch must list all of the applicants’ peer reviewed publications. A biographical sketch accepted by the NIH and AHRQ, links included below, is acceptable.

- For those articles for which the applicant was not the first author, the applicant must list in parentheses following the citation if she/he was the corresponding author, research mentor for the first author, or senior author.
- You will be asked to attest that the information provided in this application is true and complete to the best of your knowledge.

**PROGRAM TIMELINE FOR THE 2018 LITERATURE AWARD**

- Accepting Nominations & Submissions – March 20, 2018
- Submission deadline – June 18, 2018 at 12:00 PM ET
- Awardees selected – Late August / Early September, 2018
- Awardees notified – late September, 2018
- Awardees announced by press release and acknowledged at Award Breakfast in December at the 53rd Midyear Clinical Meeting, Anaheim, CA
